Mount Horeb Area Artists Association
Meeting Minutes

Notes by: Vicki France

Artists met at the Fisher King Winery to have a brief meeting and draw the winners for our raffle event. Tom Laudin seems to have great success in ticket sales, so if anyone is in of need “sales tips” he’s the guy to talk with.

Louise called the meeting to order and handed out our Spring Art Tour packets of information.

Louise Kubisa has decided to step down as our current MHAAA president after the tour this year and we will then be seeking nominations for her position as well as any of the other officers/secretary that would care to step down. Now is the time to be thinking about it if you would like to become our next president. The secretary position will also be up for a nominations and if anyone is interested in that position as well.

The MHAAA will host a Chamber Network Social on November 5th from 5-8pm at the Mount Horeb Welcome Center. This will be our kickoff for the next raffle and poster. More info later.

Peggy Zalucka talked about the “Beloit Arts Incubator” and displaying for a month, more information will be coming out to us if we are interested. Peggy also talked a bit about the new motel in Mount Horeb and how she is heading up the artwork that will be “local art” that will displayed and purchased for the place. She will be in contact as the project gets honed in a bit. Also mentioned was setting up at the Mount Horeb Art Fair to sell posters and note cards as well as promotion of our organization. Booth sitters will be needed on July 18 & 19.
