

MHAA Meeting Notes

February 11, 2014

Location: Fisher King Winery

Minutes by Vicki France

Motion to approve minutes from the last meeting. Motion Approved.

Peggy Flora Zalucha gave a brief treasury report on raffle ticket sales, she said we were in good shape.

Tamlyn Akins handed out Spring Art Tour packets. She briefly discussed the advertising cost breakdown and where money was being distributed too. Tamlyn provided a handout sheet with this information, so artists could see where the advertising is going to be placed and how much it's going to cost.

Tamlyn also noted that we do *not* need to return our new brochures that had been distributed, but rather we should recycle them. Everyone will need to pick up new ones as soon as they are back from the printer. Call Tamlyn and she will have access to the brochures. They should be ready to be picked up on or before February 17th. The printer is picking up the cost of reprinting the brochure, due to errors on their behalf.

Peggy stated that she will be out of town for an undisclosed amount of time if any one needs assistance please call Tamlyn.

Sign Committee should please assist in getting signs out and assessing how many signs an artist should have. Perhaps the committee can figure out different ways to move attendees through the tour.

For example: Some one that would like to visit studios of just painters. Just something to think out. Or somehow make it easier for people to just move through the tour easier.

Sign Committee Members: Marjorie King, Vicki France, and Dave Sears.
